

REMARKS

The Notice of Non-Compliant Amendment indicates that claim 24 does not contain the proper status identifier. Applicant respectfully disagrees. Claim 24 is identified as "Original." Claim 24 has not been previously amended, therefore the current status identifier is correct.

Applicant intended to cancel claim 27 in the response filed September 13, 2007. In the response, Applicant correctly indicated that claim 27 was "Canceled," but also inadvertently included the body of claim 27 and indicated that claim 27 was also "Original." In this response, Applicant hereby submits a complete listing of claims and removes the indication that claim 27 is "Original."

Please grant any extensions of time required to enter this response and charge any required fees to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
